Description

### Dakura Foam Gasket Safety Glasses with Military Grade Vapor Shield

FRAME: The Dakura's traditional wrap-around frame style is perfect for those who want tighter, smaller eyewear that looks great and is safety rated for work or play. Its flexible and durable black frame is equipped with soft thermoplastic rubber temple arms to create a comfortable,

nonslip fit. The pre-applied EVA foam gasket creates a seal that keeps foreign particles away from the eyes.

LENS: Clear lenses are the classic option for safety. With pristine clarity, they are an excellent choice for indoor and low light conditions. The addition of Vapor Shield "military grade" anti-fog technology keeps these lenses completely resistant to fog, even in extreme environments. 85% of visible light passes through this lens color.

ADDITIONAL: Edge Eyewear® glasses are tested in independent laboratories to ensure their compliance with ANSI Z87.1+2015 and Military Grade Ballistic MCEPS GL-PD 10-12 standards.
