Description

Pumori Safety Glasses with Military Grade Vapor Shield

FRAME: The lightweight blade-style Pumori frame has a 9-base curve to provide ample coverage. Pumori provides the highest level of eye protection available. Its flexible and durable black frame is equipped with a comfortable and adjustable thermoplastic rubber nose piece and anti-slip temples, providing comfort throughout the day.

LENS: Smoke lenses provide the perfect all-around tint for bright light conditions. This popular lens color blocks sunrays without causing color distortion. 16% of visible light passes through this lens color.

ADDITIONAL: Edge Eyewear glasses go through intense safety testing to ensure high performance. Tested in independent laboratories to ensure their compliance with ANSI Z87.1+2015 and Military Grade Ballistic MCEPS GL-PD 10-12 standards. All Edge lenses block 99.9% of UVA, UVB, and UVC radiation and are coated to reduce scratching.

These look just like sunglasses but have a lot of coverage on the sides. Very comfortable. I dropped them on the street and there wasn't a scratch on them.
