Description

Introducing Valcore's JAGG Shoe Covers

JAGG disposable shoe covers have a unique design offering the perfect fit for every adult shoe size. Inside the shoe cover we have included a durable, stretchy fabric strip that runs down the length of the sole. Its purpose is to gather excess fabric for a perfect fit and it also eliminates the pointy "elf" toe that is on most disposable shoe covers. Our JAGG shoe covers will keep you safe and make you look like the professional that you are when in front of your customers.

- Advanced level of protection
- Anti-Skid for Elevated Safety
- Constructed with thick, Polypropylene fabric
- Black shoe covers with anti-skid
- Case contains: 300 pcs / 150 pair
