Description

**Cool, Comfortable, Collapse Resistant**

Moldex disposable respirators have many superior design innovations and innovative features that set them apart from the competition ensuring your workers stay comfortable and help maintain compliance, including:

## N95 Series Particulate Face Mask & Surgical Mask (20 Per Box)

---

- A pinch-free nose bridge that comfortably contours to the bridge of the nose, eliminating the discomfort and constant readjustment that is necessary with metal nosebands
- Exclusive Dura-Mesh® shell protects the filter media so it stays cleaner looking longer. Plus, it resists collapsing in regular use and even under hot and humid conditions. They meet heat and flame resistance in accordance with ANSI/ISEA 110-2009 SECTION 7.11.1

\$29.95 / Box

6+ Boxes \$27.95 / Box

12+ Boxes \$26.45 / Box

### Features

- Meets CDC guidelines for protection against TB exposure control standards and protection against laser plumes of surgical smoke
- Bacterial filter efficiency >99.9%
- Highest ASTM level of fluid resistance (160 mm Hg)
- Not manufactured with natural rubber latex
- No need for pre-stretching straps
- Dura-Mesh® shell resists collapsing in heat and humidity
- Molded nose bridge seals easily without a metal noseband
- Facepiece is naturally contoured for less pressure
- One size fits all
- Straps are securely attached so they don't break at the seal
- Softspun® lining for increased comfort and durability
- Soft foam nose cushion for added comfort
- NIOSH certified to have a filter efficiency of 95% or greater for non-oil based particulates
- Certified under 42CFR84
- Meets heat and flame resistance in accordance with ANSI/ISEA 110-2009 Section 7.11.1
- 100% PVC-Free, like all Moldex products & packaging - for a greener alternative

### Reviews

Friday, 01 July 2022

These masks save me so much money. I wear them over and over. They aren't like the paper kind from Lowes that don't hold their shape and fall apart.
