### Description

**FRAME:** The blade-style Zorge G2 is a lightweight pair of sport glasses that are perfect for any activity. The flexible and durable black frame is equipped with soft thermoplastic rubber nose pads and temple arms to create a comfortable, nonslip fit. The open lower frame prevents sight obstruction and allows lenses to be removed and replaced easily.

**LENS:** Clear lenses are the classic option for safety. With pristine clarity, they are an excellent choice for indoor and low light conditions. These 1.5 magnification bi-focal readers are perfect for intricate work and viewing fine details. 85% of visible light passes through this lens color.

**ADDITIONAL:** Edge Eyewear glasses go through intense safety testing to ensure high performance. Tested in independent laboratories to ensure their compliance with ANSI Z87.1+2015 and Military Grade Ballistic MCEPS GL-PD 10-12 standards. All Edge lenses block 99.9% of UVA, UVB, and UVC radiation and are coated to reduce scratching.
